

# YOUNG AT HEART

## “LONGEVITY & ANTI-AGING FORMULA”

**TURN BACK THE CLOCK?** While humans live longer than ever, some breeds seem to die younger. AT HEART uses new “life extension” advances with the goal of returning your dog’s metabolism to that in its prime. You can’t change your dog’s age. But to a degree never before possible, you can help your dog regain key aspects of youth.

- **COMBAT MUSCLE WASTING & SUPPORT JOINTS** Reverse muscle loss associated with aging (sarcopenia). Reversing muscle loss boosts metabolism, strengthens joints and resistance and helps avoid your dog becoming a “shadow or its forever self”.
- **RESTORE HEALTHY WATER BALANCE.** Hydrate older canine bodies, optimizing cellular water balance. “Volumizing” cells creates favorable metabolism for optimal health.
- **ENHANCE DIGESTION & ABSORPTION** Partially predigested calories used in elite medical and sports foods reduce stomach distress in older animals, while boosting uptake.
- **SUPPORT MENTAL FUNCTION** Phosphatidylserine and other nutrients are suggested to favorably influence age related cognitive decline (A.R.C.D.).
- **SUPPORT EYE & HEART HEALTH** Antioxidants lutein, zeaxanthin and other related phyto-factors have been demonstrated to support macular (eye) health. Co Q10, ribose and others may assist heart function in older animals.

**LIVE BETTER, LIVE LONGER**

### HUMAN GRADE INGREDIENTS

**LifeForce™ Proteins** Cooked chicken, Partially predigested zero lactose total milk protein, L-Glutamine, L-Arginine, L-Taurine, **LifeForce™ Lipids** Chicken fat, Beef fat, Rice bran, High-oleic sunflower oil, Virgin olive oil, Medium chain triglycerides, Plant derived DHA, L-Carnitine, **LifeForce™ Carbohydrates** glucose polymers, Resistant starch, **LifeForce™ Antioxidants** Cruciferous vegetable mix powder, Alfalfa powder, Dried tomato powder, Cabbage leaf powder, Whole leaf barley grass extract, FOS (fructo-oligosacchararides), Freeze dried blueberry powder, Freeze dried strawberry powder, Decaffeinated Green tea extract, Citrus bioflavonoids, Cranberry fruit powder, Freeze dried carrot powder, Freeze dried broccoli powder, Lutein, Zeaxanthin, **LifeForce™ Vigor Vitamins & Minerals** Natural calcium from whey isolate, Calcium citrate malate, Potassium chloride, Magnesium oxide, Sodium Chloride, Potassium iodide, Choline bitartrate, Vitamin E (alpha-tocopherol), Pyridoxine HCL, Inositol, Di-calcium phosphate, Copper gluconate, Zinc oxide, Folic acid, Dimethylprimidinol sulfate (source of vitamin K), Thiamin monohydrate, Calcium lactate, Paba, Sodium selenite, Over 80 trace minerals as naturally occurring in colloidal polysilicates, **LifeForce™ Mental & Heart Health** L-Arginine, L-Citrulline, Acetyl-L-Carnitine, Co Q10, Ribose, Phosphatidylserine, **LifeForce™ Muscle Protectors** Creatine monohydrate, L-Carnosine, L-Leucine, L-Isoleucine, L-Valine, **LifeForce™ Joint Support** D-glucosamine hydrochloride, MSM (S-Adenosyl Methionine), Chondroitin sulfate, Hyaluronic acid (glucuronic acid/N-acetyl glucosamine), **LifeForce™ Digest-all** Lactobacillus acidophilus casei, Lactobacillus acidophilus latis, Lipase, Amylolytic, Betagulanase, Hemicellulase, Protease, Galatosidase
