Add a CGN title to your dog's name!!

"The CKC program identifies and rewards responsible and caring owners and their canine partners! The purpose of the CGN program test is to ensure that our dogs are accepted as valued members of the community and can be counted on to present good manners at home, in public places and in the presence of other dogs. The program was created to assist canine owners in combating anti-dog sentiment and to enhance community awareness of responsible dog ownership and the benefits associated with dog ownership."
